Dear WANG HONGXUAN

## OFFER OF ADMISSION TO NON-GRADUATING PROGRAMME AT NUS

Welcome to the NUS community! We are glad that you are joining us and trust that you will find your stay at NUS an enriching and rewarding experience.

### 1. Admission Information

You will be admitted as a **Non-Exchange(Chinese PU 3+1+1)**:

Period of Study : **11-Jan-2021 to 15-May-2021**

If you are registering as a COURSEWORK student, you can see the list of modules which are offered to you via the link: <https://myapplications.nus.edu.sg>. Enrolment into additional modules is not guaranteed and you need to exercise flexibility during the module registration period. You are required to accept the offer and upload a photograph for your NUS student card or decline the offer in a timely manner.

*Note: International students are required to read a minimum workload of 12 MCs (approximately 3 modules) or pursue full-time research during a regular semester in order to qualify for a Student's Pass which is issued by the Immigration and Checkpoints Authority (ICA).*

### 2. Student's Pass (for international students only)

This offer of admission is conditional upon successful application of your Student's Pass. Instructions to apply for the Student's Pass will be provided in a separate email at least 1.5 months before the start date of your study.

### 3. Overseas Travel Declaration

In view of the Coronavirus Disease 2019 (COVID-19) situation, all incoming students **are required to declare their travel plans in the Overseas Travel Declaration (OTD) system** (<https://myaces.nus.edu.sg/OverseasTravelDecl/applicantLogin>) before they can proceed with online Registration (Part One). Please log in to the system using your Application Number and Application Password, selecting Student Category "Non-graduating".

### 4. Completion of Registration (Part One)

Please note that you are required to complete the Registration (Part One) process online (<https://myregistration.nus.edu.sg>) using your Application Number and Application Password. This is a compulsory process to confirm your personal particulars with the University. You are required to print out the necessary online forms to be submitted on Registration Day. Please refer to the registration guide (<http://www.nus.edu.sg/registrar/academic-activities/registration/registration-guides>) for the exact dates to complete this process.

### 5. Completion of Registration (Part Two)

Please refer to the "Registration (Part Two)" section in the Registration Guide for Non-Graduating Students (<http://www.nus.edu.sg/registrar/academic-activities/registration/registration-guides>).

## 6. Accommodation

On-campus accommodation at NUS is highly sought after and not guaranteed. Students who wish to apply for on-campus accommodation should refer to the website at <http://nus.edu.sg/osa/student-services/hostel-admission/non-graduating/application-guide> for more information about the application dates and process. Primary consideration for student accommodation will be given to Non-Graduating Exchange students who are undertaking undergraduate modules in NUS.

If you wish to apply for on-campus accommodation, you are required to visit <https://uhms.nus.edu.sg/StudentPortal/>, click on the 'Login here' button under 'Login For Students Without NUSNET ID' and log in using your Application Number and password.

As demand for on-campus accommodation often outweighs supply, we strongly encourage students to also explore off-campus options in the event their housing application is unsuccessful.

For queries or assistance on housing application, please visit [www.hosteladmission.nus.edu.sg](http://www.hosteladmission.nus.edu.sg)

Thank you and we look forward to seeing you at NUS.

Yours faithfully

Mr Joshua TAN  
Assistant Manager
